

Alexander Sohn

3101 S Taylor, Apt# 1146 Little Rock, AR 72204 | 501-326-8511 | arsohn02@gmail.com

Objective

Enthusiastic Senior (3rd Year) Information Science student with experience in C++, SQL, Java, JavaScript, System Models, and Economics. Interested in a 2022 Summer Internship experience to utilize my passion for data analytics, visualization, and business decisions based off this data.

Work Experience

DELIVERY ANALYST INTERN | ACXIOM | MAY 2021 - PRESENT

- I provide production and user support for our team's client. I create salesforce tickets, write SQL queries, and provide data/assistance to users. I monitor input/output files, monitor data processing jobs, and audit/verify the results based on historical trends.

Skills & Abilities

SCRIPTING/PROGRAMMING LANGUAGE EXPERIENCE

- Through interning and classes, I have learned and been exposed to:
 - SQL, PL/SQL, Java, Shell Script, PHP, C++, HTML, CSS, JavaScript

ENTERPRISE APPLICATIONS

- Oracle, Microsoft Office 365, MS SharePoint, Confluence, Google Workplace, UltraEdit, Putty, MySQL Workbench

INTERPERSONAL SKILLS

- Through internship experience, I've developed professional communication, teamwork, and critical thinking skills

Education

UNIVERSITY OF ARKANSAS AT LITTLE ROCK | 94/120 HOURS

- **GPA:** 3.94
- **Majors:** Information Science **Associates:** Computer Programming **Minors:** Math
- **Related coursework:** Intro to Systems and Design, Database Concepts, Curr. Trends in Database Tech

Volunteer Experience

DATA CLEANER | LITTLE ROCK DATA PORTAL | OCTOBER –NOVEMBER 2019

- I was tasked with cleaning hundreds of rows of that had been collected in an excel spreadsheet. I found the information on the internet, plugged it in, and made sure all the data was clean and matched.
